Dear Steven,

RE: Everton Free School, OUTSTANDING

I wanted to congratulate you on the recent Ofsted Inspection outcome at Everton Free School and acknowledge the hard work and strong commitment to the pursuit of improvement which has secured this outcome.

I can only imagine how proud you and the team must be feeling. It is fantastic to hear how the trust has created a great learning environment for pupils in Liverpool and the wider City Region. It was wonderful to see it acknowledged that pupils attend an exceptional school, citing the transformation in their behaviour and engagement during their time at the school as remarkable. I noted that the strong relationships built between pupils and staff are having an impact on attendance across the school, with pupils developing a new love of learning.

Thank you for all the effort that you, the academy staff, and wider trust board have put into securing such a strong report and for ensuring not only better outcomes, but improved life chances for pupils in the academy. Please pass on my warmest congratulations and I look forward to seeing Everton Free School continue to excel in the coming months and years.

Yours sincerely
